MILITARY.

[All notices, published under this heading, will be charged five cents per line—sayable invariably to the advertiser.]

K. C.—A meeting in Castle will be held on Friday new hall every day this week as 10 o'clock A. M. **COMMITTEE**

ATTENTION:

Friends of Constitutional Liberty

AS THE NEUTRAL CITY OF KENTUCKY has been visited by the own recruits of soldiers for Abraham Lincoln's army, a re-enactment will be given this week as 10 o'clock A. M. **COMMITTEE**

ATTENTION:

At a meeting of the Southern Rights citizens of Marshall county, Ky., held at the Court House in Benton, on Monday, July 1, 1861, the County Court day, the following resolutions were adopted: The meeting appointed Caleb Lindsey, Chairman, and J. W. Dycs, Secretary.

G. W. Irvin has explained the object of the meeting, and the Chairman, in his report, has referred to a General Vigilance Committee for the county at large in District No. 6, to wit: P. Palmer, H. Johnson, R. P. Peeler, G. W. Irvin, A. A. Nelson, E. P. Moore, W. F. Wilson, and J. C. Clark, who are to act as a District Committee at the meeting of the Palmer, the Irvin, and Jefferson streets. Those desiring to take a defense of the cause of Constitutional Liberty are invited to meet at the office of the Admistrator, will be received and provided for between the hours of 9 A. M. and 12 M., and from 1 to 4 P. M.

J. W. DYCIS.

AN IMPROVED ADAMSON.—A Mr. Conner, of Louisville, Ky.,—Yester evening officials Kirby and Teller arrived a counterfeiter by the name of Joe, Howell. The officers received information that this man was, possibly looking and patient indications, was engaged in making counterfeit coin, and they started on his track, blinding him on Market street, between Diamond and 4th, when they also found rounds and quarts for manufacturing counterfeit dimes and quarters, also a large amount of ladder's tools. This man no doubt belongs to a gang of counterfeiters and thieves, as a large amount of letters were found in his possession, showing that he was pretty largely engaged in the business. The officers deserve a great deal of credit for bringing out this case, and we think it would be advisable for the Clerks to look to these streets for our padlers, as they are well watching, and are a nuisance to the public. That's why probably have an examination before the police court this morning.

THE MEETING LAST NIGHT.—The Southern Rights men of this city held a large and enthusiastic meeting, at Calvert Hall, last night, for the purpose of nominating candidates for the Legislature. By reference to the proceedings of the meeting, published in another place, it will be seen that T. E. C. Bentz was nominated in the First, and Hon. John Joyce in the Fourth District. The gentlemen both accepted the nominations in brief and appropriate speeches. The Second and Third Districts did not make any nominations, deferring it until Friday. Now that the men are in the field, it is the duty of every man to work, and on the day of the election victory will be ours.

It was announced at the meeting last night that the Hon. H. E. Stinnett would speak at the 10th o'clock meeting, Thursday night. Mr. Stinnett is one of the speakers in the city, and we hope that every one will turn out and fill the hall to overflowing. His subject will be the Pro-Union's Message.

MURDER AT CHESTER.—The St. Louis Democratic leader from a passenger on the Memphis, from Cairo, that Jno. Darwin, a wood-yard keeper, was murdered, last night, in the city, and we hope that every one will turn out and fill the hall to overflowing. His subject will be the Pro-Union's Message.
